

American Freedmen's Aid Union,

69 NASSAU ST., NEW YORK,

Oct 2 1865

My dear Garrison:

142  
Evening of yesterday  
just received a quite fine  
factory.

I am just in from  
Mulader where I had  
been to celebrate, in a  
quite domestic way, the  
25th anniversary of  
our marriage.

I left my family all well,  
Lucy expecting Wendell  
this evening.

Have you made any  
arrangements yet for  
our Western tour? Please  
answer this by next  
post.

I ask because I  
am contemplating  
something for the Freed  
men's cause in which

I should want you  
to take part of which  
I think would be:  
one multi-personal  
& public - equal in  
value to any that  
would come of a  
lecturing trip such  
as you have been  
planning.

It is barely  
possible that I may

Come to Boston next  
Tuesday or Thursday;  
in which case I &  
Anna should count on  
finding you at - your  
host.

You must make  
a push at Philadelphia  
in spite of your "keth".

Love yours

J. M. Kim
